Demo/Practice Account Login: **Click on the green button for full access to all school-level features**

1. Click on the green button to gain full access, OR click on the hyperlinks below to explore the different access levels.

2. After selecting a school ("Dataland SuperSchool"), try out new features or see what the different reports can look like. Everything in the demo database works just like a real school account, but your work will be erased overnight.
