

Dear Publix,

I am writing on behalf of Citrus Springs Middle School's Positive Behavior Support Team. This team is designed to enhance the school community by emphasizing positive outcomes in lieu of traditional punishment and discipline systems. One way this is accomplished is by rewarding students with positive referrals for making good choices at school. If you could donate a gift card towards our organization, we would use it to purchase small incentive items such as candy bars to give the students when we award them their positive referral. We estimate 600 students will be rewarded during the 2008-2009 school year. Any amount you can donate would be appreciated.

If you have any questions about our program, please feel free to contact me at Citrus Springs Middle School.

Thank you,

Thomasine Kennedy
