What is school wide positive behavior support?

School wide Positive Behavior Support (PBS) is a different way of handling discipline. PBS is...

- Proactive: Trying to prevent inappropriate behaviors by putting procedures in place and if needed changing the environment.
- Educative: Teaching students what we expect of them while on our campus (Expectations). Teaching our students the rules for specific setting (Cafeteria, Hall, Recess).
- Reinforcement Based: Giving students rewards for when they show the school expectations and when they follow the school rules.
- Negative consequences are still given for inappropriate behavior. We want the consequences to change the students behavior, so the student does not display the same behavior again.

Estates Expectations

- Be Prepared
- Act Safely
- Welcome & Celebrate Differences
- Stop and Think
