5. **E**ffort
 - * Student does his or her best at all times.
 - * Student has a positive attitude.
 - * Student keeps trying and asks for help if the work is difficult.

Every morning students receive their "salary". Salary varies by grade level. See the chart below.

Loss of Salary

As well as earning salary students can have money deducted from their salary.

Students can lose money for the following: (all money deducted is based on student's grade level)

1. Attendance

- * If you don't go to work you don't get paid.
Student doesn't earn **salary** on days with unexcused absences.
- * If you don't have a valid excuse for being late your salary is docked.
Student loses **money** (amount base on grade) for unexcused tardies.

2. Behavior

- * Student loses **money** for 1st minor referral incident in a day.
- * Student loses **money** for 2nd minor referral incident in a day. (penalty continues to go up for each incident)
- * Student loses **money** for major referral incident.

3. Community

- * Student loses **money** for:
- * Wasting the class's time.
- * Doesn't take care of class materials.
- * Treating someone in an unkind manner.
- * Not helping with classroom chores.

4. Do the work

- * Student loses **money** for:
- * Being off task or not completing class work.
- * Not bringing home or promptly returning notes, report cards or homework as requested.

5. Effort

- * Student loses **money** for:
- * Doing sloppy or careless work.
- * Complains or pouts about having to do something.
- * Not asking for help when needed.
- * Giving up or refusing to try if the work is difficult.
