

### **EAT Certificate Procedures at Sadler:**

Classes can earn up to 5 points for positive behavior in the lunchroom. The class is given their points on a score card. The teacher/class keeps track of their points. Monthly PBS EAT calendars are given to classroom teachers to use to record EAT points. When the class reaches the goal (50 points for PreK-2, 100 pts. For 3-5<sup>th</sup>) the teacher then notifies a PBS team member. PBS then prints up the EAT certificate. Each month there is a different incentive awarded.

EAT certificates are often displayed by the classes.
