

# Safety on the Playground

## The Learning Center

Hi, I'm the TLC Teddy and I want you to have fun & stay safe on the playground.

I always go  
down the slide  
feet first.

My feet are  
meant to land  
on the ground.  
(Stay Safe)

Always wait until the slide is empty before you take your turn. (Respect Others)

I am glad when  
People wait until  
I am gone.

Leave space between people.

I do not like being crowded.

(Respect others)

Always hold on with both hands.

We don't want you to fall. (Stay Safe)

Hold On!

You could hit your head if you don't sit on the swing. That would hurt.

(Stay Safe)

I will remember to keep the sand close to the ground. (Always make good choices)

I will play safely and remember to hold on. If I forget, my teacher will remind me.

I like to explore all of the equipment. I like the playground.

(Enjoy Learning)

# I will remember the rules:

- Keep a safe distance from my friends.
- Feet land on the ground first.
- The sand stays near the ground.
- Always hold on with your hands.
- Enjoy all of the equipment.

# Expectations on the Playground
