What is P.B.S.?

Positive Behavior Support gives people a new way to think about behavior. It is based on an understanding of why problem behavior occurs. This approach can be applied on a school-wide basis as well as in a classroom or with an individual student. PBS uses evidence on which to base decisions that address behavior in school. It strives to create a positive school culture, decrease problem behavior, increase academic performance and safety.

Incentive Plans at Rayma C. Page include:

- Super Dolphin recognition awards
- Special lunches
- Class assemblies
- Dolphin Dollars
- Special events

Students can earn Dolphin Dollars for good behavior and spend them on items for sale in the “Marina”. The students respond enthusiastically to earning these tokens and the rewards they can purchase. We welcome and appreciate parent involvement in this PBS project.

Expectations are high in our school. Students are taught the rules and procedures for every area of the school. Students learn best when they work in an environment that is safe and orderly.
