Incomplete assignments
Not following rules and expectations.
Disrupting lessons

4. Activities to Enhance Concept Development

Develop a "T" chart with class to list what responsibility looks like, sounds like
and feels like.
Demonstrate/Role play examples and non-example.
Read books which discuss responsibility (Why Mosquitoes Buzz In People's Ears)

5. Activities to Check for Understanding

Have teams write 3 examples and non-examples to share.
Role playing
Present examples and non-examples and have students place in correct categories.

6. Activities to Extend Concept Development

Assign topics for journal entries related to responsibility.
Students observe their own class and tally examples and non-examples of responsibility, then
graph and share the results.
Students write about/discuss times they were responsible and how it made them and others
feel.
